**7. Miscellaneous**

Few Members enquired about possible programmes and routine activities of the society. Secretary hinted that there might be outreach activity like teaching physics students, specially in rural schools, in near future. Regarding a logo of the society we are waiting for more suggestions from members so that a befitting logo with some relevant message/symbolic words, enhancing the intrinsic and aesthetic appeal, may be embossed inside the symbol. In principle the idea of launching of an e-bulletin was accepted but there is no final agreement as to its content and technical layout. The opinion and suggestion of the general members may be sought through e-mail/phone before finalizing both the matters.

**7. Presidential Address**

The president thanked the members for attending the meeting and showing interest in the activities of the Association. He specifically appealed to relatively younger members to come forward and actively engage in various activities of the Association.

**8. Vote of Thanks by the Treasure:**

The treasurer proposed the vote of thanks.
